Dear Troy Fire Department,

Thank you so much for your response to the Sunnymede fire on July 22, 2011. We really appreciate your efforts. Mostly, we would like to thank you for searching for our cats until you found them. They truly are a part of our family. We are so grateful that you saved them. Also, thank you for your kindness during this ordeal.

God Bless You,

Meghan Shea-Keenan & Cory Miglio
