observed their capability, professionalism and compassion as they attended to their work.

They are certainly to be commended and we ask you to share our gratitude for the work they do — so many times when they're not observed.

We glad we live in Troy.

Dear Chief Nelson,

Just before the Memorial weekend got underway, there was a serious accident that occurred in front of my house on Wattles.

The 3 of us who live here went to see if we could be of help before the members of Police and Fire Departments arrived.

We were very impressed with the members of your Fire Department and wanted you to know how we
