Chief Gary Mayer
City of Troy Police Department
500 West Big Beaver
Troy, MI 48084

Dear Chief Mayer:

I want to thank you and express my great appreciation for the support I've had from Officer Haddad and the Troy Police Department in our effort to gather toys for children in need.

We recently held the Christmas in August fundraiser for the Coalition of Temporary Shelter in Detroit and were able to collect a number of toys thanks to the participation of the special Troy Police Hot Rod Pursuit Vehicle!

We met Officer Haddad at the Troy Car Show and he was kind enough to help us out on this unique event, which we expect to have as an annual event.

The participation by the Troy Police Department exemplifies the great group of guys that you have working for you, particularly Officer Haddad. So, please let me express my gratitude, my thanks, and my appreciation for allowing us to have your great vehicle at our event. Please thank officer Haddad for me.

Should there ever be an opportunity for us to repay the favor or you have need of our facility, by all means give us a call.

Warmest regards,

Ronald M. Pruette
First Vice President
