Troy Police Department

Troy, MI 48084

Dear Chief Mayer,

I want to express my sincere thanks to you for the very fast response to my letter of July 25, 2012 regarding concerns about the Blue Moon Café (Hookah Lounge). As I was leaving the club about 5:30 p.m. yesterday, Officer Tim Daniels drove through the parking lot and stopped to talk with me. We were able to discuss in a little more detail what we have been experiencing and he assured me that these concerns do have the attention of the police department. He also told me not to hesitate to call the non-emergency number whenever there is any concern.

I truly appreciate being able to tell the members that the Troy Police will be patrolling the parking lot and are aware of the situation. I think this should help the ladies feel more comfortable.

Again, thank you for taking my concerns seriously.

Best regards,

Ann Naubert
