Dear Terry Colussi.

I knew this is little late. Last week on 15th or 16th I came to see you at the police Dept. I was really in trouble with my son & my wife. you introduce me to Harden Ruiz and Sergeant Andy Breide- and Both are very good people. I want to say a Big Thank you. you are Really, Really a good Secretary. one day I am going to sent a e-mail to the chief & say about very good things about you. He is Really Lucky that he got a Secretary like you.

once again thanks for the help.
