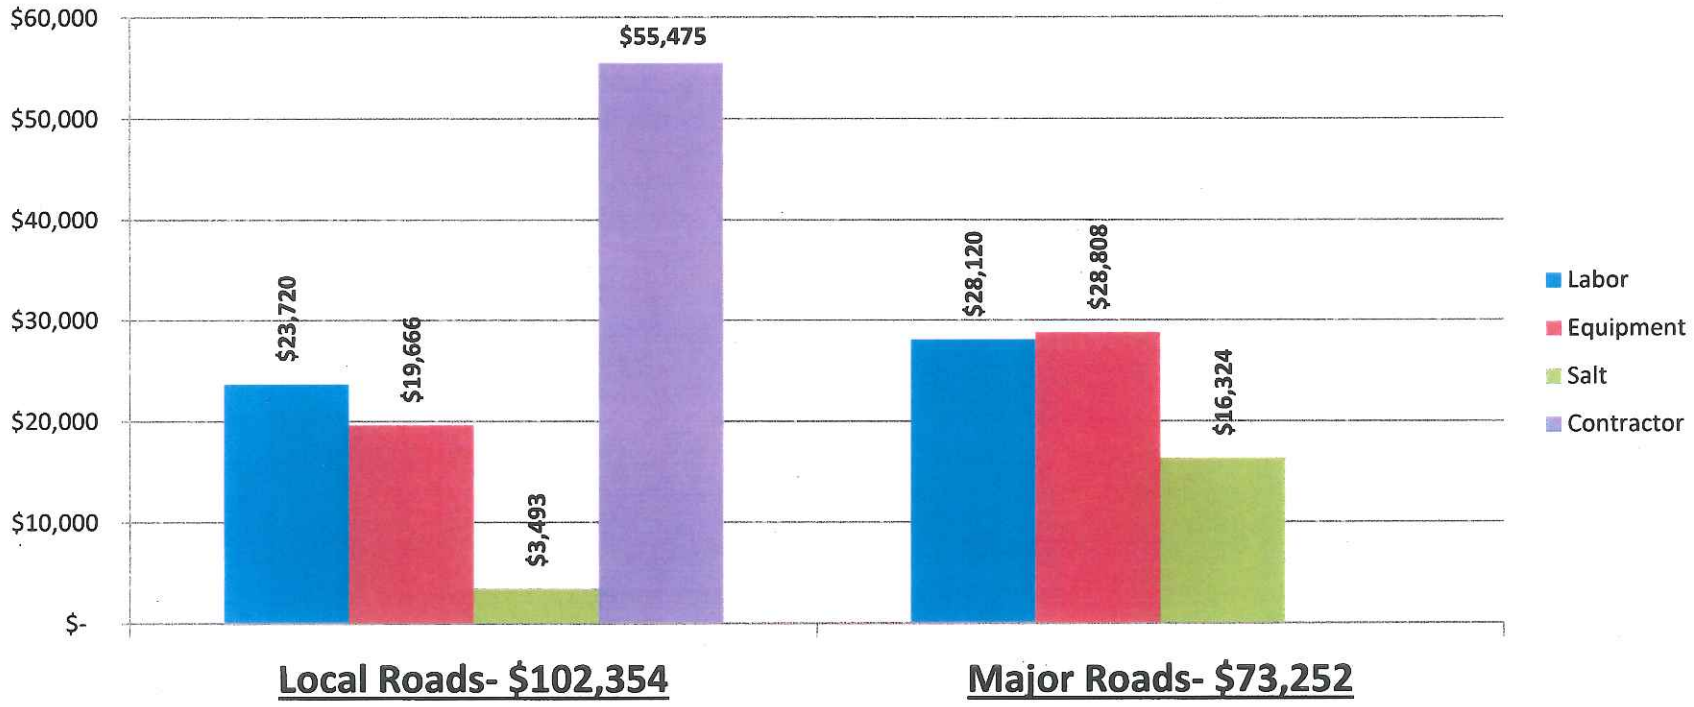
1-6-2014 Winter Storm Event
12+" of Snow Accumulation



25 City of Troy Drivers and Pieces of Equipment
18 Contractor Operators and Pieces of Equipment

What, When, and Why

- Major and Industrials Roads
  - Every time snow and ice creates a hazardous condition
- Local Roads
  - Salting- Hills, Intersections and Curves
    - When driving conditions are tolerable but attention is required to ensure safe stopping and navigation of steep and curved roads
  - Plowing
    - When accumulations create a hazard for the average vehicle or future conditions will cause the road to become more hazardous
