Dear Chief Craft:

I am writing you to commend your staff at the Training Center. The Training Center hosted a two-week Technical Traffic Crash Investigation class February 6-17, presented by myself along with the Michigan State Police.

Sgt. Bjork, Officer Fitzpatrick and Lynn McDaniel were superb to work with. They did everything possible to make the training staff and the students welcome and comfortable. The training facility is excellent and made the presentation of the course a very pleasurable experience. Their enthusiasm and professionalism in support of the class was outstanding.

The Training Center and its staff are a credit to your Department. I look forward to working with them again in the future.

Sincerely,

Bill Brandt
