Dear Mr. Szerlag:

The Community & Home Improvement Division staff would like to thank the City of Troy for hosting Oakland County's Community Development Block Grant Annual Application workshop at the Troy Community Center on September 27, 2005. The session was well attended by representatives from communities throughout Oakland County.

Special thanks goes to Vicki Richardson who arranged for the space and refreshments and the community center personnel who set up the room, brought in additional chairs, etc. All were very polite and helpful.

On behalf of our 50 participating communities, I thank you for your generous support.

Sincerely,

Karry L. Rieth
Manager
