Dear Captain Murphy:

The owners and staff of Price Funeral Home would like to express our gratitude for the support received from the Troy Police Department on June 7, 2006 during the funeral service of John Sepac.

The funeral for this gentleman was very well attended by motorcyclists. The help we received from Lt. Houghton and his staff allowed us to exit the funeral home parking lot safely. Also, we appreciate the support provided at each intersection as we traveled to White Chapel Cemetery.

Please extend our gratitude to Lt. Houghton and the other officers for their assistance.

Sincerely,

John V. Gladysz
