Dear Mr. Nelson:

I have lived in Troy since 1990 and I'm very pleased to be a citizen of our fine city. Before I retired in 2001 I was employed as a school bus driver for the Troy School District for 16 years. During this time I was involved with many wonderful students and staff at Troy High School. I have been a volunteer probation officer for the Troy 52nd district court for nine years and am presently on the Troy Daze Committee in charge of student volunteers for Troy Daze. I also volunteer for Parks and Rec. Dept at the Special Ed Adult dances held at the Community Center. Jeff Stewart and I administered the Special Ed Adult Dance at Troy Daze and we had

an outstanding turnout.

This year I recruited 300 student volunteers from Troy High, Athens and the International Academy. Our students in this city are wonderful and I enjoy working with them. There also were students working for me from the Troy Youth Council where Scott Mercer (their advisor) does a great job!

My job would not have been successful without the following people that work for our city: Cindy Stewart (Community Affairs) Jeff Beigler (Parks & Rec Dept) and Jerry Scherlink (Troy Police Dept) They do a wonderful job and our Community is very fortunate to have them.

These individuals along with the Troy Days Committee made our festival the success it was.

Thanks to you and our City Council for giving Troy the Troy Days Festival at Boulan Park every year and allowing our Troy families to have such a great time.

Our entertainment at the festival was outstanding because of the efforts of Jeff Steuart, many people commented how family oriented the music groups were.

Once again, thank you for giving me the opportunity to volunteer in this great city - thanks also to our City Council.
