Troy Police Department

Troy MI 48084

Dear Chief Craft:

On behalf of the men and women of the Waterford Police Department I would like to thank you for all the assistance you provided during our search for murder suspect, Edward Stenberg.

Without the cooperation of your department, in particular, Lieutenant Keith Frye and Sergeant Scott Salter, it would have been a difficult investigation. We received enough support to maintain a general whereabouts of Stenberg's travels, which in turn, provided us with his exact location. Thankfully the suspect has been arrested; we will now begin the road to prosecution.

If there is ever anything I can assist you with, please do not hesitate to call me at 248-618-7533.

Respectfully,

D.T. McCaw
