4/3/07

J-03b

Officer Linton

I would like to extend many thanks to you. I have been very concerned, and scared about our childrens safety on our street. You did an excellent job, and you are very thorough with your work. Also you are easy to communicate with, and very professional in your manor, as well as appearance. You are an asset to the Troy Police Department, as well as to the Residents of the City of Troy.

Sincerely,
Katherine S. Weiss
