J-03a

To Chief of Police, Charles Craft,

Last month, May 12th. I received a visit at 1:00 AM from two of your officers, Mike Meinzinger + Doug Drewek. They came to let me know that my son had died.

I'm alone, the dog was barking + two police were at my front door. I never dreamed I would receive that kind of news.

I wrote all that to tell you that these two officers were so nice + so thoughtful of me + stayed until I could get family over. One of them I think Mike even stopped by the next day + asked how I was.

I am so grateful to them + wanted to let you know about these two officers.

Sincerely
Carol S Fehle
