1-29-15

Dear Mr. Kischnick,

I would like to compliment you on your Police staff + emergency response team.

At a very distressful time on 1-22-15, they were here, 6211 Walker Dr, in minutes. They were all very professional, respectful + extremely sympathetic. The kindness they showed was appreciated.

Please pass on my thanks + gratitude to them. I did not get names due to my stress. The female officer had M. PINK on her jacket.

Sincerely,
Betty Gross
