Subject: Thank You

Chief Mayer,

I just wanted to say thank you and particularly Officer J. Mouch badge number 116. He noticed our van door was left open while patrolling our neighborhood on 7/20 in the middle of the night. He secured the vehicle and notified us of the issue. My mother-in-law was watching our kids during that time. She was using our van during and forgot to close the door. I greatly appreciate the proactive monitoring of our city and for officer Mouch for going out of his way to lock up our van.

Much thanks,

Marshall Rennick
