Dear Mr. Kirchnik:

I am a customer of Troy Medigo, and have been for many years.

Medigo has become increasingly well-run and efficient over the years. All of its employees are polite to all its riders, and always see to their safety.

I would like to extend my great appreciation and praise of Medigo to you, and to convey that I will be forever grateful for its service.

I cannot stress enough the importance of Medigo for those of us Troy citizens who are unable to drive.

Sincerely,

Sharon Knight
