Subject: Citizens Police Academy

Dear Chief Mayer,

I wanted to thank you and the department for sponsoring the Citizens Police Academy.

I really enjoyed the experience. We were able to learn a great deal about the department, and how it runs. It makes me proud to know that you and your officers and working so hard to keep us safe and protecting our streets and businesses..

Being a former educator, I can say that the academy was run in a good educational way. The intermixing of verbal presentations as well as hands on experiences was a very sound way to keep everybody involved.

Thank you again for allowing me to be a part of academy.

Larry Casey
