February 16, 2008

Dear Captain Murphy,

Thank you for the commitment to Leadership Oakland. I gained some real insights into what it takes to protect the citizens of Troy.

Officer Lenzlewski was great to ride with and took a real interest in my learning experience.

Your involvement in this endeavor to educate citizens is so worth while.

Thank you for the opportunity to see first hand how you protect the citizens of Troy.

Regards,

Gina Rowley
