Dear Ms. Sears:

I participated on an oral interview panel for the Troy Public Library during the week of April 15, and I want you to know how impressed I was and am with not only the process, but the professionalism of Jeanette Menig, from your department. I believe the interviews were as objective as possible, and Jeanette was the most personable and professional human resources person I have encountered, in a long time.

Moreover, your department has been of immeasurable help in guiding our Human Resources Department and Civil Service Commission through the process of convening an interview panel for the position of Shelby Township Library Director, providing sample questions and providing a format for the panel, itself.

Thank you then, for your assistance in our process, and for affording me the opportunity to meet and enjoy some real "pros".

Most Sincerely,

Judith Chambers
