To the Firemen, Policemen
Policewomen, & Volunteers of
of Troy and other areas.

I believe we have a great
crew of people as we had
last nite at our apartment
building.

They made everyone feel safe
and comfortable as they could
by taking chairs outside,
and letting us know when
we could return to our
apartments.

We are fortunate to have
sprinkler system in each
apartment, and last night
it worked so well.

Many, Many Thanks for
keeping us safe.

Sincerly
