Gary G. Mayer, Chief of Police
Troy Police Department
500 West Big Beaver Road
Troy, Michigan 48084

Dear Chief Mayer:

The owners and staff of Price Funeral Home would like to express our gratitude for the support received from the Troy Police Department on March 11, 2013 during the funeral service of retired Troy firefighter Thomas Duncan.

When I contacted Lieutenant Harden, he was very helpful and followed up the next day with specific details. Mr. Duncan's family was extremely grateful with the assistance we received from the Troy Police Department. The funeral procession contained approximately 100 vehicles and your patrol cars monitored traffic as we exited our parking lot and at each intersection along the route to White Chapel Cemetery.

Please extend our appreciation to the officers that were involved in this funeral procession.

Sincerely,

John V. Gladysz
