Hi Gary,
I'll add my thanks to you and Andy for a very helpful and informative meeting last night. Thanks for the stats. too, good to know!
After last night, I feel pretty good about being a resident of Troy. I live in the Fairways Condos (Square Lake and Rochester Rd.)
Thanks again for the information and for all that you do, Charlotte Sommers

Gary,
Many thanks to you and Andy for hosting us! The venue was great and the presentation was great. I've already heard good things from last night. The group from the Bharatiya Temple, I think, found it extremely productive. I think Andy will be busy!
I'm copying Charlotte Sommers, pastor of Northminster Presbyterian Church. Charlotte was my predecessor as convener of the Troy-area Interfaith Group. I know she'll love to get the stats!
Thanks,
Bob

To: Andrew D Breidenich;
I sincerely want to thank you on behalf of the Temple for the presentation. Apart from being very useful in terms of information, it was quiet comforting to learn that the city and its police forces are thinking of our welfare more intensely than even some of us do.
I would like you to visit our Temple sometime, look at the facility, meet our Temple administration and advise us as to what we could do to make our Temple premises more secure. We are still getting used to our new temple building and your list of recommendations will be a valuable guidelines.
In addition, if it is possible, I would like you to come sometime and address our Sunday congregation about security issues at Temple, neighborhood as well as at home. We can even combine all of above on a single Sunday visit.
We are very much willing to work with city and police to ensure that the temple as well as surrounding neighborhood feel secure and protected as any untoward situation not only affects the Temple but also takes toll on the sense of security in the neighborhood as well. Please let me know if a visit is possible and if so, we can work out a suitable date.
Again thank you for being there for us.
Warm regards.

-Ravi Khattree, President, Bharatiya Temple
