CHIEF OF POLICE
CITY OF TROY POLICE DEPARTMENT
500 W. Big Beaver Road
Troy, MI 48084

Dear Sir:

On Saturday, July 9th. 2005, I was passing thru your area traveling south bound on I-75. I had a blow out on one of my tires. I am a 74 year old man who is handicapped. I really needed assistance. One of your officers, Melissa Baroky, was a great help to me. She was very concerned about my safety. She stayed with me until the tire was changed. In the mean time another officer stopped by and assisted me.

I sincerely want to thank you and let you know how much I appreciate all of the assistance that was given to me.

Sincerely,

Clive D. Mattice, Jr.
