To: John Szerlag, City Manager

From: Mark F. Miller, Director of Economic and Community Development

Subject: Agenda Item – Standard Purchasing Resolution #1: Award to Low Bidder  
Contract 11-4 – Northfield Hills Pavement Rehabilitation

---

### Background

Bids were received and publicly read on June 8, 2011. The low bid of \$564,139.58 was submitted by ProLine Asphalt Paving as can be seen in the attached tabulation of bids. The engineer's estimate at the time of bidding was \$706,611. The low bid is therefore \$142,471.42 or 20.2% below the engineer's estimate.

Work includes milling the asphalt surface, base repairs, curb & gutter repairs, new sidewalk ramps and an asphalt overlay on Brentwood, Bayside, Buckingham and Breeze Hill, and local roads in the Northfield Hills condominiums area in Section 8. The work is anticipated to start soon after the July 4<sup>th</sup> holiday and be complete by mid-September.

### Recommendation

It is recommended that City Council award a contract for the Northfield Hills Pavement Rehabilitation project to ProLine Asphalt Paving, 11797 29 Mile Road, Washington, MI 48095 for their low total bid amount of \$564,139.58.

In addition, we are requesting authorization to approve additional work, if needed, not to exceed 25% of the original project cost due to unknown joint conditions exposed after the milling operation and prior to placement of the asphalt overlay.

### Fund Availability

Funds for this work are included in the 2011-12 Local Road Fund. The budgeted amount includes funds for construction, inspection and contingencies.

### Legal Considerations

Work was competitively bid and publicly opened with five (5) bidders responding. The award is contingent upon submission of proper proposal and bid documents, including insurance certificates, bonds and all specified requirements.
