Dear Sir,

I just wanted to write a short note commenting on one of your officers. Yesterday Feb. 2 2010 on my way home from work I was involved in a motorvehicle accident on Rochester Rd. it was a minor accident with no physical injuries. Officer Schuler (46) arrived at the scene and handled himself in the most professional way. He was polite, made sure no one was injured or requesting medical assistance. He then went to working the accident in a promt manner and got us on our way.

I came home and told my wife about the kindness and professionalism officer Schuler showed to me and the other driver.
