 Fleet Vehicles

Background

Bill Snethkamp - Dodge is one of the awarded low bidders from the State of Michigan – MiDEAL Program – Contract #071B1300010. The two Police patrol vehicles being purchased are replacement vehicles for those sold at auction. By purchasing the two Dodge Chargers it will allow us to utilize the current Police equipment from the auctioned vehicles without additional upgrade expense. The Dodge Chargers are used daily for local, major and freeway patrols. The number of vehicles assigned to the Police department has been reduced by thirteen vehicles over the past five years.

Recommendation

City management and the Public Works Fleet division request authorization to purchase two (2) 2012 Dodge Chargers for the Police Department from Bill Snethkamp - Dodge of Lansing, MI, through the State of Michigan MiDEAL Program for an estimated total cost of \$45,104.00.
