City of Troy Fire Department

Attention: Fire Chief

On Saturday, July 29, our neighborhood hosted its annual picnic with 46 adults and 23 children attending. We requested a fire truck come by as it was a special memory of several years ago when the kids got to "go up in the ladder truck". John Roberts and his colleague came, as promised, and spent time with young and old – all getting rides over the tree tops. The men were generous with their time and patience and not even over-heated in our hot afternoon sunshine! Everyone enjoyed the adventure! I have enclosed a couple of pictures taken to mark the day. We can't thank you enough for including this type of activity under the PR for the department.

With appreciation,

Kathy Sherman  
3361 Paddington Dr.  
Troy, MI 48084

P.S. We also took advantage of our picnic to make a pitch for YES votes for the Library – so glad that the millage was a success.
