

March 29, 2005

TO: John Szerlag, City Manager

FROM: Brian Murphy, Assistant City Manager/Services
Steven Vandette, City Engineer 

SUBJECT: Agenda Item - Act 51 Mileage Certification for 2004

In accordance with the guidelines for adding or deleting streets to the annual road mileage certification for cities and villages, the following non-platted streets require a resolution-accepting jurisdiction of the street from our governing body.

Tanner	Crestwood Site Condominiums
Peacock	Peacock Farms Site Condominiums
Quill Creek	Peacock Farms Site Condominiums
Quill Creek	Lot Splits
Dominique	Rhode Island Estates Site Condominiums
Wyandotte	Rhode Island Estates Site Condominiums
Colleen	Colleen Meadows Site condominiums

The City of Troy's allocation of Michigan Transportation Funds is based on the number of miles of road under City jurisdiction. All of the above-listed roads are under control of the City, open for public purposes, and are being maintained by the City. It is important that the foregoing roads be added to the Act 51 mileage report so that transportation funds can be properly allocated to the City of Troy.

Last year River Bend in the River Bend Site Condominiums was added to the Act 51 Mileage Certification in error. River Bend is actually a private road and needs to be "decertified" and removed from the Act 51 certification. Decertification must also be part of the resolution.
