City Attorney Bluhm and Officer Feld answered questions from the Committee regarding sales to minors at Smoker's Express on July 21, 2011. Citations were issued for three alcohol sales and one tobacco sale. The City Attorney's Office will plan to attend any hearings pertaining to Smoker's Outlet, and will aggressively pursue possible revocation of the liquor license.

The members of the Liquor Advisory Committee asked for further discussion on possible Ordinance amendments related to the size of an establishment, similar to the gas station regulations since the size of an establishment was thought by some of the members to have a correlation to liquor violations.

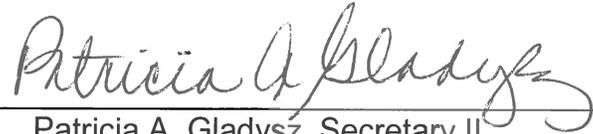

Public Comment:

Citizen Michael Kerr expressed his concern about the recent violations at Smoker's Outlet.

The meeting adjourned at 7:36 p.m.

Max K. Ehlert, Chairman

Patricia A. Gladysz, Secretary II
