Chief Gary Mayer,

On Thursday, October 20, 2011 at approximately 8:10 am, the Madison Heights Police Department received a 911 call from an employee of the Family Service Credit Union, located at 1419 W. Campbell, reporting an attempted armed robbery. The victim stated that three men approached her, pushed her into the building as she was arriving to work, and told her to disarm the alarm and open the vault. As the victim was attempting to open the vault the three suspects fled the building without gain.

Madison Heights police dispatch transmitted this information via radio and officers from the Troy Police Department quickly responded to the area and assisted in setting up and maintaining a perimeter. A short time later the three suspects were captured.

I want to thank the Troy Police Department and the Troy Police Officers for their quick response and their assistance during this incident. Specifically, I would like to acknowledge Sgt. Szuminski, Sgt. Harden, Ofc. Isham, Ofc. Clark, and Ofc. Sinutko. The additional assistance that the Troy Police Department provided was instrumental in capturing these criminals. Again, thank you.

Sincerely,

Anthony Roberts
 Chief of Police
