

Troy Police Department

Chief Gary G. Mayer

500 West Big Beaver

Troy, MI 48084

11/09/11

Dear Chief Mayer:

I just wanted to drop you a note to thank you again for the Citizens Police Academy program I just completed this past week.

I specifically wanted to let you know I did my patrol "drive along" this past Saturday night, 10 pm -2 am+. It was awesome. I was with your Officer Gail Grzybowski. She was absolutely wonderful. Gave me a complete orientation to the patrol car itself and the multiple bags of equipment each of your officers' take with them on patrol. Officer Grzybowski was professional, informative, dedicated and engaging. She patiently answered each of my many questions.

During her shift, we were (she) participated in 10+ incidents in which we were the primary unit or backup unit. We responded to one medical incident of an elderly heart patient and participated in a call at the home of a resident with a history of mental issues that "heard voices" outside his home having awoken suddenly. Three of your officers, reassured the frightened male resident and demonstratively searched his home and surrounding area. He was grateful and was returning to his bed as we left.

With each incident, I got to meet many of your patrol officers who good naturedly welcomed me to their shift. At every stop, it was easy to see the teamwork and mutual friendship amongst your officers although I must admit, the most impressive officer that I met, was, Officer Tico (canine).

Seriously, thank you for the experience. If all your officers are as professional and dedicated as Officer Grzybowski, then it is easy to see why my home town, is the safest city in Michigan.

Respectfully,

David Miros

P.O. GAIL GRZYBOWSKI -

THANKS FOR MAKING SUCH A GREAT IMPRESSION
ON MR. MIROS AND REPRESENTING TROY P.D. SO WELL
