

March 28, 2005

TO: John Szerlag, City Manager

FROM: Brian P. Murphy, Assistant City Manager/Services
Jeanette Bennett, Purchasing Director
Timothy L. Richnak, Public Works Director

SUBJECT: **Agenda Item** - Standard Purchasing Resolution 1: Award To Low Bidders –
Four (4) 64,000 GVW Tandem Axle Dump Trucks

RECOMMENDATION

Bid proposals were opened March 1, 2005, to furnish four- (4) 64,000 GVW Tandem Axle Dump Trucks. City management recommends a contract be awarded to the low total bidders, Bi-State Sterling Truck Center of Toledo, OH and Monroe Truck Equipment of Flint, MI for an estimated combined total cost of \$518,336.00, at prices as detailed on the attached bid tabulation.

SUMMARY

The bid was awarded on a low total basis to the truck chassis and dump body companies in order to lower the cost on the cab and chassis, and expedite truck completion. In the event the truck chassis and or body company fails to meet the completion schedule; a penalty will be imposed of one-tenth of 1% per working day beyond the mandatory delivery date, per truck/body.

The new units will replace the four (4) 1990 Auto-Car Tandem Axle dump trucks due to come out of service. The dump bodies and cabs on the old units have rusted through from salt and wear and tear; the drivelines and suspension will require extensive repairs. These four pieces of equipment are used year round for street maintenance and snow removal.

The new Tandem-Axles have Sterling cabs and chassis, Model LT9513 with Stainless Steel 10-yard dump bodies and salt spreaders, 12-foot front snowplows and 10-foot underbody scrapers. The trucks are also equipped with 75-gallon calcium chloride auto pre-wet systems. In addition to the standard Sterling warranty, Caterpillar warranties the diesel engine for seven (7) years or 100,000 miles and Williams Detroit Allison, the automatic transmission for five (5) years or unlimited miles against failure or malfunction.

BUDGET

Funds for this equipment are currently available in the Vehicle Fleet Maintenance Capital Account #565.7981.
