Dear Chief Mayer:

I attended the City Council Meeting on Monday, December 5th. I would like to thank you for the overwhelming, but appropriate, police support.

I would also like to note that all the officers present looked well groomed, physically fit and fully capable of taking on any problem that may have developed. In my opinion, the meeting could have easily gotten out of hand and I appreciated your forethought to have the officers in attendance.

As a 30+ year resident of the City of Troy, the safety of myself and my family is a top concern. I really don't care what it cost to have those officers there.

Thank you again,  
Daniel Fair
