

CITY COUNCIL ACTION REPORT

April 2, 2012

TO: John Szerlag, City Manager

FROM: Aileen Bittner, City Clerk

SUBJECT: Public Comment Detail in Minutes

City Council, through consensus, directs the amount of detail recorded during Public Comment. The current amount of detail in the Minutes is the result of the consensus of the previous Council Members.

Mayor Daniels has requested the detail recorded in the written Minutes during Public Comment be abbreviated. City Management supports this request. Should there be a consensus of Council Members to abbreviate the level of detail recorded in the written Minutes during Public Comment, that portion of the Minutes will look similar to this example provided.
