Re: Police Officer Milt Stansbury

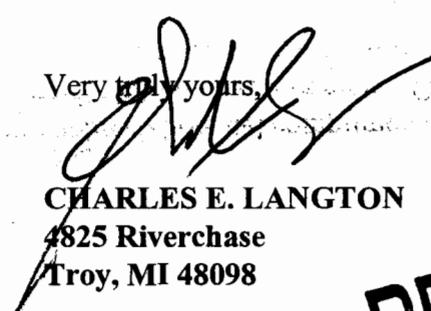

Dear Chief Craft:

I had to write you to express both my appreciation and compliments to Police Officer Milt Stansbury for allowing me to ride along with him on a recent night. Officer Stansbury's professionalism and insight into apprehending drunk drivers is most impressive. I have always wanted to do a ride along, and the experience for me was enlightening. I have a new appreciation for what officers go through when they are actually on the streets, at night, and faced with tremendous uncertainties. As an attorney who often defends drunk drivers, I now have a better feel for the overall situation facing all concerned in this terrible problem that we have of people driving with too much alcohol in their systems.

I hope to have the opportunity to ride along again in the near future. I have told and re-told many people about the ride along, and want you to know that I feel better living in Troy knowing that we have Police Officers like Milt Stansbury on the force.

Thank you again.

Very truly yours,

CHARLES E. LANGTON
