Dear Chief Craft,

I am writing regarding Officer Patrick Dyjewski and his assistance to my wife and I. On 02/27/05, my wife and I were returning to Howell, Mi from Troy when my vehicle overheated and we were forced to stop on I-75 just South of Big Beaver Rd. Officer Dyjewski stopped to assist us. Officer Dyjewski extended every courtesy to make sure that we were taken care of. He drove my wife to a local gas station where she was able to obtain the anti-freeze we needed to take care of our vehicle problem.

In addition, while assisting us, another motorist pulled in behind us who, it was discovered, was having a heart attack. Officer Dyjewski displayed calm professionalism as he lent aid to the stricken motorist until an ambulance and other police officers could arrive.

I would like to thank Officer Dyjewski for his assistance both to my wife and I and to the unknown motorist and to commend you on the professionalism displayed by your departmental members.

Sincerely,

Kenneth R. Tassie
 Director
