

## CITY COUNCIL AGENDA ITEM

Date: April 25, 2012  
To: John Szerlag, City Manager  
From: Aileen Bittner, City Clerk  
Subject: Correction to the Mayoral Nominations to the Local Development Finance Authority

---

The April 16, 2012, City Council Agenda contained Mayoral Nominations to the Local Development Finance Authority. At the time when this item was placed on the Agenda, it was my understanding that Robin Beltramini had been appointed to the Authority as a City Council Representative during her time as a City Council Member. After extensive research, it was discovered that Mrs. Beltramini had been appointed as a Resident Member. In fact, documentation did not show any requirement for a City Council Representative appointment to the Local Development Finance Authority.

Mrs. Beltramini currently is a resident in the City of Troy; and, her term does not expire until June 30, 2014. I have made the necessary corrections to remove the term from consideration for nomination.

Mayoral Nominations to the LDFA will be addressed next in June for those terms that expire June 30, 2012.
