Troy, MI 48084

Re: Letter Of Appreciation

Dear Mr. Kischnick

This is just a note to express my appreciation and gratitude for the help I received from your Building Inspection department. Gerald and especially Paul, were so kind and patient in handling my complaint with Trowbridge Co. If everyone else in Troy's city government is as professional as the Bldg. Inspect. Dept., I'm sure that living in Troy will be an enjoyable experience.

Sincerely,

Wanda Copeland
