Subject: Pack 1720 Cub Scouts visit to the Troy Police Department

Good afternoon Chief Mayer,

I just wanted to convey to you and the Troy Police Department my gratitude for hosting my Pack 1720 Cub Scouts Bear Den for a meeting/tour on the evening of Thursday, Nov. 21, 2013. I am the den leader and our kids are all in 3rd grade at Barnard Elementary School. They were extremely excited to visit the Troy Police Department and they were definitely not disappointed with their visit. We were greeted by very kind officers no matter where we went, including the 9-1-1 call center and the prisoner intake/short-term lodging area. The kindest of those was **Community Liaison Shawn Flint**. She was a wonderful ambassador for the Troy Police Department, had a great rapport with both kids and parents, and made our visit informative, educational and fun.

The kids are already talking about coming to the Open House in the spring.

Thanks for making them feel special and for making our visit simply a GREAT experience, start to finish.

Happy Holidays to you and all of the men and women of the Troy Police Department. I wish everyone health and happiness for the remainder of 2013 and for the years to come. And I would be remiss without just saying THANKS in general for the work that is done every day to keep our city safe.

Sincerely,

Dan Daly
