Dear Officer J. Denny (34),

I wanted to express my sincere thank you and gratitude for your assistance yesterday to Allison Joseph, who is not only an employee of Chas. Verheyden, Inc., but my daughter. As you can imagine, it's a phone call most parents dread, their child in a car accident. Thankfully, she was not seriously injured, nor was anyone else.

Your attention and follow up with Allison at the scene and at the hospital meant a lot to both Allison and myself.

As we enter the Thanksgiving week, we are particularly thankful for Allison's well-being and I am very thankful for your help.

Please let me know if you need additional information to bring this matter to a close.

Have a wonderful and peaceful holiday season.
