Re: Our Monday, July 30th Meeting

The following is a summary of the items we discussed yesterday that Dave and I would like to see included as Council Referrals at our August 13th Council meeting. These are my recollections of the items we wanted to include in an effort to be more open with our residents and assist council decision making but please let me know if you have any suggestions, changes or additions.

1. Retired City of Troy Employee Pension Report Detail to include all Retirees--
Name, Dept., Yr. Retired, Yrs. of Svc., \$ Yearly Pension, \$ Medical Benefits, \$ Total
2. Wage Report for each City of Troy Employee who Retired in the Past 5 years--
Name, Dept., Date Retired, Yrs. of Service
Base wage paid each year for last 10 consecutive years prior to retirement
Overtime paid each year for the last 10 consecutive years prior to retirement
Total pay each year for the last 10 consecutive years prior to retirement
\$ Yearly Pension, Plus \$ Medical Benefits = Total Yearly Pension
\$ Amount of yearly Pension calculation without Overtime being included
3. City of Troy Employee Health Care Contributions compared to cities, such as, Birmingham, Bloomfield, Farmington, Novi, Rochester, Rochester Hills and Southfield separated by each Union and Non-Union Group. This information may be available from SEMCOG.
4. Transit Center cost detailed by year since the City of Troy started this project. It would be helpful to have the actual cost for each detailed expenditure each year and the revenue by year to offset this cost each year and the total net out of pocket cost to the City since the inception of this project.
5. To support the Distracted Driving Ordinance Amendment discussion, it would be helpful to have more detail on the traffic tickets written for distracted driving including warnings since we initiated this ordinance and the number of different officers who issued these tickets. It is only relevant to know the date each ticket was written and if these type tickets are being written by all the traffic dept. officers or if the same officers are writing multiple tickets.
