

CITY COUNCIL AGENDA ITEM

September 5, 2012

To: Michael W. Culpepper, Acting City Manager

From: Susan A. Leirstein, Purchasing Director
Timothy L. Richnak, Public Works Director

Subject: Standard Purchasing Resolution 1: Award To Low Bidder – Asphalt Patching Material – Cold

Background

On August 23, 2012, bid proposals were received electronically to furnish seasonal requirements of Asphalt Patching Material – Cold, which is used during colder weather as temporary repairs to paved surfaces. Fifty-three (53) vendors were notified of the bid opportunity via the MITN website with three (3) on-line bid responses received. Cadillac Asphalt LLC bid an alternate product that meets the current Michigan Department of State Highways Standard Specifications as listed in the bid proposal. CP1 Dura Patch (using a SCM liquid). Cadillac Asphalt LLC provided the City of Wayne as a local government currently using the proposed product. After contacting the City of Wayne Street Division, officials indicated better results than some of the material they have used in the past. Cadillac Asphalt LLC supplied the City of Troy DPW a two-ton sample for testing at no cost; the sample proved to be satisfactory.

ITB-COT 12-02, to furnish seasonal requirements of Asphalt Patching Material - Cold was competitively bid as required by City Charter and Code. The award is contingent upon contractor's submission of proper insurance certificates, and all other specified requirements.

Recommendation

City management recommends awarding a contract for seasonal requirements of asphalt patching material, CP1 Dura Patch (using a SCM liquid) delivered, to the low bidder, Cadillac Asphalt LLC of Wixom, MI for an estimated total cost of \$38,000.00 at the unit price contained in the bid tabulation dated August 23, 2012, to commence October 15, 2012 and expire April 30, 2013.

Fund Availability

Funds are available through the Public Works operating budgets for the Streets and Water Divisions.

Opening Date -- 08/23/12
