Subject: Re: City of Troy

I live in Hidden Forest in Troy and have been in contact with Gary Bowers numerous times. I always know when I contact Mr. Bowers that my issues will be addressed. He is extremely knowledgeable and prompt to follow up with my concerns. Additionally, he was gracious enough to offer to meet in the evening (after his work day) with our subdivision to answer any questions. He is a true asset to the Code Enforcement Department and the citizens of Troy.

Thanks,  
Donna Mitchell
