**Subject:** National Voter Registration Day in two locations in Troy

Dear Aileen and Cheryl,

Thank you so much for volunteering your time to participate in National Voter Registration Day with us. While, in both places, we registered 10 people, gave out 5 forms for folks to take home, and gave out about another 10 absent voter forms, the number of questions you both answered was another definite service to the community.

Thanks again for giving up your free time to help us.

Pam Brady, President

League of Women Voters of Troy Area
