Timothy Richnak, Public Works Director

SUBJECT: Background Information for CDBG Agenda Items

**BACKGROUND:**

On the November 14, 2005 agenda the City of Troy has 3 separate Community Development Block Grant Items. These requests cover three separate CDBG program years.

We are required by Oakland County Home Improvement Division and HUD to provide a separate public hearing for each reprogramming request and budget application. We must also provide a copy of the public hearing advertisement, a copy of our certified council minutes and a copy of our governing body resolution.

Funds must remain in the program year in which they were allocated and are subject to current federal CDBG program regulations.

SUBJECT: Agenda Item -Community Development Block Grant (CDBG) Year  
2002 Project Description Amendment

**Summary:**

Since the time of the public hearing announcement on October 24, 2005, Oakland County Community and Home Improvement Division has requested the City of Troy to reallocate our program year 2002 appropriation balance of \$11,309.85 to the Flood Drain Improvements Account.

Oakland County is requesting that City Council reprogram and expend our CDBG program year 2002 appropriation balance of \$11,309.85 on Flood Drain Improvements.
