

TO: Mayor and Members of Troy City Council
FROM: Lori Grigg Bluhm, City Attorney
Allan T. Motzny, Assistant City Attorney
DATE: January 18, 2006
SUBJECT: Proposed Municipal Civil Infraction Amendments to Troy City Code

After the Troy City Council approved the Municipal Civil Infraction Ordinance, our office completed training of the involved City officials and members of the 52-4 District Court. We are now at the point where Troy ordinances need to be amended to designate certain ordinance violations as municipal civil infractions. Enclosed please find some proposed revisions of the Troy ordinances that would accomplish this designation- specifically: Chapter 2 (House Numbering and Street Naming), 3 (Administrative Service), 13 (Historic Preservation), 34 (Sidewalks and Driveway Approaches), 79 (Building Regulations), 80 (Soil Removal and Fill), 82 (Property Maintenance), 82-A (Rental and Dwelling Inspection), 85 (Signs), 86 (Soil Erosion and Sedimentation Control), 88 (Nuisances), and 93 (Fire Prevention). The Planning Commission has also reviewed proposed municipal civil infraction amendments to Chapter 39 (Zoning). These recommendations will be presented to Council under separate cover.

These proposed amendments would designate violations of the ordinances as municipal civil infractions, which would subject violators to the penalties and procedures set forth in the Municipal Civil Infractions Ordinance, Chapter 100 of the City Code. The Municipal Civil Infractions Ordinance is a tool that allows the City to decriminalize zoning, building, property maintenance and other ordinance violations. For the designated offenses, City officials could issue a municipal civil infraction violation. Persons that are not contesting the commission of the violation could then pay a scheduled fine directly to the City, as opposed to involving the 52-4 District Court. Under Chapter 100, the Municipal Ordinance Violations Bureau (under the supervision of the City Treasurer's Office) can accept these direct payments in resolution of the matter. The Municipal Civil Infraction Ordinance also preserves the right of either the cited individual or the City to seek relief from the Court, as opposed to allowing the direct payment in resolution of the matter. However, for most cases, municipal civil infractions will expedite the resolution of matters that were previously adjudicated through the district court criminal misdemeanor process. Perhaps most importantly, the municipal civil infraction process allows the City to seek equitable relief from the District Court when appropriate. This equitable relief is not generally available in criminal misdemeanor cases, which frustrates the City's goal of obtaining compliance.

Under state statute, there are some offenses in Chapter 88 (Nuisances) that cannot be converted to municipal civil infractions. It is for this reason that the language in Chapter 88 is different than the other proposed amendments, which designate violations of any provision in the chapter as a municipal civil infraction, except as otherwise provided.

In addition to addressing the municipal civil infractions, there are other clean-up amendments that are proposed. In Chapter 3, we removed references to ordinances that are no longer in effect, as well as references to non-existent City officials. It is our recommendation that Council adopt the proposed amendments. Please let us know if you have any questions concerning this matter.
