Troy Police Department
Chief Charles Craft
500 W. Big Beaver
Troy, MI 48084

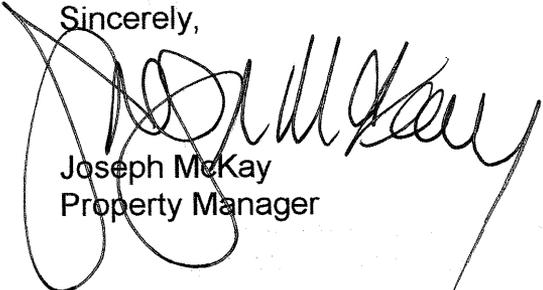

Chief Craft,

I was asked to write to you by the Community Association of Northfield Hills Board of Directors regarding the presentation put on by Officer Terry Harrison.

Officer Harrison was warm, friendly, patient, and knowledgeable. Terry presented a brief fifteen minute presentation on personal and home safety and then patiently answered any and all questions from the audience. Her professional but friendly approach was well received by all that attended this meeting. You should be commended for surrounding yourself with such high quality individuals; it makes your department one of the top police departments not only in the State but in the Nation.

Please relay our gratitude to Officer Harrison on a job well done and we look forward to having her return in the future.

Sincerely,

Joseph McKay
Property Manager
