Re: Agenda Item – Public Hearing for Michigan NextEnergy Exemption of alternative energy Personal Property at 1100 W Maple, Troy MI.

Recommendation:

Staff recommends that you present the attached Resolution to City Council affirming a Michigan NextEnergy Exemption for alternative energy Personal Property located at 1100 W. Maple, Troy, MI.

Detail:

The Michigan NextEnergy Authority (MNEA) was created by Public Act 549 of 2002. They are charged with certifying alternative energy businesses, and alternative energy Personal Property.

Under provisions of the Act, alternative energy personal property (as certified by the local Assessor) purchased between 2002 and 2011 (since amended to extend to 2013) may be exempt from taxation through the process of eliminating some, or all, millages from being levied against the property.

The Act provides that local taxing authorities may 'opt out' of the exemption process by passing a resolution to 'opt out' within 60 days of receipt of the MNEA certifying resolution. (Local taxing authorities include city, township, village, county, community college, intermediate schools, local schools, transportation authority, etc.)

United Solar Ovonic Corporation has received certification from MNEA as an alternative energy company, and have applied for an exemption of Personal Property not to exceed \$78,960.17 at their location at 1100 W. Maple in Troy.

The not to exceed number is due to the fact that not all of their purchases were complete, and delivered as of the MNEA application deadline in October 2005, for the hearing in December. The City Assessor will verify by the 2006 Personal Property return if any, or all of the purchases were complete as of December 31, 2005.

As shown on the attached chart, the total City exemption over the 8 years of the exemption would be approximately \$1,989.73 (including administration fees).

Dear Mr. Licari:

The Michigan NextEnergy Authority (MNEA) is charged by law (Public Act 593 of 2002) with the certification of alternative energy technology businesses and alternative energy personal property (Public Act 549 of 2002). The MNEA is also charged with notifying the assessors and treasurers of the local tax collecting unit and the secretary of the school district, in which the property is located, of such certification.

The enclosed resolution, certifying the attached list of personal property of United Solar Ovonic Corporation as Alternative Energy Personal Property exempt from certain property taxes, was adopted at a meeting of the MNEA held on December 20, 2005. As indicated in the enclosed resolution, the maximum value of the exempted property located in Troy is \$78,960 and is subject to the assessor's concurrence.

The City of Troy has sixty days from receipt of this letter in which to adopt a resolution to opt-out of the exemption of the alternative energy personal property from local personal property taxes.

The Troy Public Schools also have sixty days from receipt of this letter in which to adopt a resolution to opt out of specific school-related taxes levied against the personal property.

Personal property acquired by United Solar Ovonic Corporation prior to January 1, 2013 may be eligible for certification as Alternative Energy Personal Property by the MNEA in future years. The City of Troy and Troy Public Schools will be notified of any future certification and will have sixty days in which to adopt a resolution to opt-out of the exemption on that personal property.

If you have questions, please contact me at 517-335-4418.

Sincerely,

Karen Ammarman
Secretary to the MNEA Board

Resolution 2005-09
Michigan NextEnergy Authority

United Solar Ovonic Corporation

At the meeting of the Michigan NextEnergy Authority (MNEA) held on December 20, 2005 in Lansing, Michigan.

WHEREAS, United Solar Ovonic Corp. (the "Company"), EIN 38-2940103, is a business entity located at 3800 Lapeer Road, Auburn Hills, Michigan 48326, that also has property located at 1100 W. Maple, Troy, Michigan 48084,

WHEREAS, on December 16, 2003, the Company was certified as an Alternative Energy Technology Business under the Michigan NextEnergy Authority Act, 2002 PA 593,

WHEREAS, an officer of the Company has certified in writing that the Company continues to be engaged solely in the research, development or manufacturing of the alternative energy technology described as the process of generating and putting into usable form the energy generated by an alternative energy system,

WHEREAS, the alternative energy technology is related to the alternative energy system known as a photovoltaic energy system,

WHEREAS, all personal property of an Alternative Energy Technology Business that has not previously been subject to collection of taxes, and has not previously been exempted from taxes, under the general property tax act is eligible for certification,

WHEREAS, the Company has provided lists of such property acquired, or to be acquired, at each of its locations in calendar year 2005, valued at a total of \$226,137 that are attached to this resolution,

BE IT RESOLVED that the personal property listed on the attached schedules is certified as Alternative Energy Personal Property and is exempt from taxes levied before January 1, 2013, provided that the local Assessors determine that the property listed:

- 1) is properly classified as personal rather than real property
- 2) has not been previously subject to taxation under the general property tax act, and
- 3) has not previously been exempted from taxes under the general property tax act.

BE IT FURTHER RESOLVED that notices of these certifications will be forwarded to the Company, the secretaries of the local school districts, and the treasurers and assessors of the local tax collecting units in which the Company and the Alternative Energy Personal Property are located.

Re: Agenda Item – Announcement of Public Hearing, NextEnergy Exemptions

Recommendation:

Staff requests the scheduling of Public Hearings for three (3) Michigan NextEnergy Exemptions on February 20, 2006.

Detail:

The Michigan NextEnergy Authority (MNEA) has certified three companies as Alternative Energy Technology Businesses. They have approved Personal Property Exemptions for these companies, subject to verification of the Personal Property by the local Assessor, and subject to City Council approval.

The companies are Compact Power, Inc., at 1857 Technology, Ovonic Battery Company at 1414 Combermere, and United Solar Ovonic Corporation at 1100 W Maple (who has an existing exemption).

Public Hearings must be scheduled within 60 days of the MNEA action for City Council action. The announcement at this time will allow public notification requirements to be met.
