OUTLINE OF PUBLIC HEARING PROCEDURE

The City Attorney suggests the following outline of procedure for consideration of liquor violations:

1. The Mayor calls the licensee whose case is to be heard.
2. The licensee and/or his attorney should be asked to the front of the Chamber to acknowledge their presence for the record and can be seated.
3. The Assistant City Attorney makes a very short opening statement regarding the violation(s), and presents proofs.
4. When witnesses are called, they should be sworn by the City Clerk to tell the truth.
5. Once the witness is sworn, the Assistant City Attorney will question the witness.
6. The police report and other documents may be offered into evidence as part of the case and should be kept by the City Clerk as part of the records.
7. At the conclusion of the City's case, the licensee or his attorney should be asked to offer an explanation for the violations if they choose, make a statement, offer evidence, or otherwise make their presentation.
8. If the licensee offers evidence from witnesses who have not been previously sworn, the City Clerk should swear those witnesses.

9. Once the licensee has concluded his presentation, the Assistant City Attorney should be given an opportunity for rebuttal, if any is desired.
10. City Council members may ask questions at any time, but it is suggested that this questioning by Council members be conducted after the parties conclude their presentations.
11. When the presentation of evidence is concluded, the matter returns to the City Council for discussion, deliberation, and resolution.
