Captain Ed Murphy  
Troy Police Department  
500 W. Big Beaver  
Troy, MI 48084

Dear Captain Murphy,

Thank you for the opportunity to "ride along" with a Troy police officer. On Wednesday February 1<sup>st</sup>, I had the opportunity to sit through the noon roll call and ride along with Officer Clark.

Please give my thanks to Lieutenant Houghton who made all the necessary arrangements and was very helpful in giving me an overview of daily activities. Officer Clark provided much insight into the Troy community and the services provided through the police department.

During my afternoon ride, I witnessed a traffic incident which unfortunately resulted in an arrest. Officer Clark and the other officers on the scene were very professional even with the young women being fairly upset with them and the situation. Your officers obviously have had a great deal of training and all should be commended on their appropriate handling of the situation.

Thank you again,

*Barb Cenko*
